## COMMITTEE ON TEMPERANCE

We, your Committee on Temperance beg leave to submit the following report:

Realizing that we are living in a period of unrest and great upheaval and seemingly the minds of our people are centered more on the ways of intemperance than they are on the ideas of temperance, we believe and recommend that a halt be called by the pastors of churches among the parents, then pass it on to the Sunday School teachers to set the model in every day life. Since the drawing forces are so destructive to the human sysem, and so demoralizing to our religious influences in the use and practice of such things as alcoholic liquors, snuff, tobacco chewing, smoking and other uses, over eating, chewing gum

while in church or even in company, indecency in dress, dancing, and extremists in ball playing, joy-riding in automobiles for un-Godly purposes, and unwise expenditures of money, all of which may bring men to poverty and disgrace; we therefore recommend that all persons cease the use and practice of such destroying habits.

We also recommend that each pastor will some time during the year, preach and teach his people the importance of economy and to be temperate in all things.

Respectfully submitted,

Committee.

Resolved; That we congratulate St. Matthews Church and pastor on their beautiful and commodious church edifice, and be it,

Further resolved: That we tender them a rising vote of thanks for the diligent care, bountiful feasts, and unusual hospitality, given the association.

Respectfully submitted,
